

How Can I Support This Important Project?

Much work is still necessary to complete the project and make the building safe and usable for classes, community groups and other functions. While public money was used to move the building, create the new site and replace and repair its critical structural components, the goal of this campaign is to raise the additional funds needed to complete the restoration so the building can fully re-open to the public.

The site, operated by the White Bear Lake Area Historical Society, will become a recognized historical asset providing interpretive programs, guided tours, exhibits, and other community programming.

This campaign will provide:

Custom Windows & Shutters

HVAC System

Electricity & Security System

Interpretive Markers outside the Building

Interior & Exterior Lighting

Display Cases & Other Furnishings

Site Landscaping

You are invited to help with this important community project by contributing to the Town Hall Restoration Fund. The campaign began in September of 2017 and will conclude once the goal has been reached.

Contributions may be dedicated for a specific need or to be used where most needed. The White Bear Lake Area Historical Society is a 501c3 organization - donations are deductible to the full extent of the law.

Donor Info

Name _____

Company Name _____

Address _____

City/State/Zip _____

Phone _____ Email _____

I pledge a total amount of \$ _____ to be paid as:

One-Time Payment of full amount 12 monthly installments of \$ _____ each
